

Prayer Guide

Belfast Christian Unions

University of Ulster at Jordanstown CU (150 students)

This semester the CU are looking at the 'I am's' from John's Gospel. Pray that this series will inspire a greater vision of Jesus both for those who know him and those who don't.

Pray for Avril and the committee as they organise a team from the CU to work cross culturally in London with AVM during the first three weeks of July.

Work amongst international students continues to flourish ranging from personal friendships to a café and special events. Pray that this work will continue to penetrate and be more supported within the main CU body. For those already involved pray that God would continue to be their confidence.

Queen's University, Belfast CU (400 students)

The CU are beginning an evangelistic bible study course on 10 February. Praise God that students have already shown interest, and pray that more will come along each week.

iCafe is a café run by the CU for international students each Wednesday evening. Pray for Claire and her team of volunteers who serve each week, that they would share their faith sensitively and effectively.

Pray for a week of outreach events from 23-26 February. Pray that those invited by CU members will come and encounter Jesus as a result of these events.

Small Groups are an integral part of the CU. Pray for Steve and Michael as they train and equip small group leaders each week.

Join with us in praying that the Christian Unions would be effective mission teams on their campuses in Belfast, which has over 40,000 students.

A movement of students, supporters and staff, praying, giving and working to see students transformed by encountering Jesus, transforming their campus, society and the world

Stranmillis College CU (150 students)

Pray that the impact of 'Pure' (a course on relating well) would continue to be felt in the lives of those who attended and in the conversations it has stirred around campus.

Teaching practice for students from February to April tends to disrupt the rhythm of college and CU life. Pray that CU members would support each other well and be used by God as they are placed in a variety of schools.

Praise God for Mark, a 4th year student, who came to faith last semester.

Pray for 'Shine' - a weekly outreach by the CU on Sandy Row.

University of Ulster in Belfast (Art College) CU (10-15 students)

Pray that an exhibition organised in partnership with Tearfund will be a springboard from which the CU can reach

out and not only become known on campus themselves but make Christ known.

Pray that a change of day will enable more students to attend the CU's weekly study on Nehemiah.

Pray that a CU weekend away will help build strong relationships and help identify leaders for next year.

The Art College is a difficult place to reach with the good news. As a result the CU are beginning to meet twice a week to pray for their campus. Pray that this will bear much fruit.
