

Prayer Guide

North West Christian Unions

University of Ulster at Coleraine CU (80 members)

Give thanks for the success of a recent 'Panel Night' during the CU main meeting. Many Christian and non-Christian students were present as the panel addressed questions on suffering, science and other difficult issues. Pray for those who aren't Christians - that conversations will continue and that God will reveal himself to them. Also pray for relevant follow-up to this event.

Give thanks for CU students' increasing awareness of the importance of getting involved in campus life. Pray for those involved in sports teams and societies and for those who are taking an interest in impacting campus policies; pray that God would give them grace and wisdom to live their lives well before others for the glory of God.

Please pray for the small groups as they study Philippians - pray that members will seek to engage whole-heartedly with God's word. Pray for Judy Elliott (Relay Worker) as she leads the small group leaders' study.

Pray that God will continue to provide financially for Judy. Give thanks for her heart for student ministry and her individual studies in Galatians with a member of the committee.

Pray for the ongoing work amongst UUC's international students.

Letterkenny Institute of Technology (6-8 members)

Praise God for recent contact made with a member of this small group of Christians who have begun to meet for bible study and outreach on campus. Pray that God will grant wisdom to Rachel (NW Staff Worker) and CU members as they seek to discover how to make the most of this possible link with IFES Ireland.

Join with us in praying that the Christian Unions would be effective mission teams among the 10,000 students on their campuses in the North West.

A movement of students, supporters and staff, praying, giving and working to see students transformed by encountering Jesus, transforming their campus, society and the world

University of Ulster at Magee CU (15-20 members)

Give thanks for the continuing growth of Magee CU, particularly as it grows in identity and confidence to reach out to the surrounding campus.

CU have been looking at God's heart for justice since the beginning of this semester and, on Tuesday 3rd March, will hold a Live Music Night on campus to raise funds for HIV/AIDS projects. This will be a significant night to boost the profile of the CU as there will be information available on CU, Fairtrade products and opportunities to sign up to engage with the bible in different ways. This will be followed up by a week of outreach and prayer for students supported by Ian Hannah and Coleraine's House of Prayer initiative.

Pray for the successful implementation of the new committees of Magee CU and Coleraine CU.

Give thanks for final years who are considering serving as Relay workers in the voluntary discipleship and student ministry programme. Pray that God will make the path clear, give strength and wisdom and provide financially for the task ahead.
